ANCIENT INDIAN MATHEMATICIANS

Contributions to the World of Mathematics

π

3.14159...

$$a^2 + b^2 = c^2$$

0

Zero

- Great astronomer and mathematician
- Calculated the value of π (Pi) approximately
- Developed the place-value system

- First to give rules for zero (0) and negative
- Worked on algebra & solved quadratic equations
- His book "Brahmasphutasiddhanta" is very important

- Author of "Siddhanta Shiromani"
- Worked on algebra, arithmetic & calculus like concepts
- Solved complex equations

- Author of "Chhandahshasta"
- Introduced the concept of combinations and permutations
- Early idea of binary numbers (1 and 0)

- Known for his work on algebra & arithmetic
- His book "Ganita Ratna Samagha" is important
- Worked on infinite series & permutations

- Author of "Baudhayana Sulbasutra"
- Worked on geometry
- Gave early form of Pythagorean theorem

$$ax^2 + bx + c = 0$$

India has a rich and glorious history in Mathematics

CHARLES ROBERT DARWIN

OVERREPRODUCTION

Organisms produce more offspring than the environment can support.

STRUGGLE FOR EXISTENCE

organisms compete for resources, food, space

Name: Charles Robert Darwin

Born: 12 February 1809

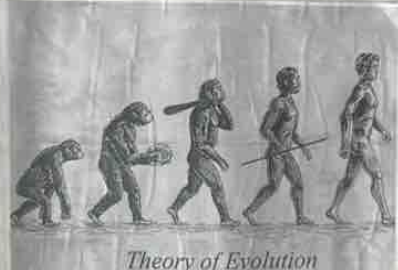

Death: 19 April 1882

Charles Darwin's Book

1. The origin of species

2. The voyage of the Beagle

3. The Descent of man

Theory of Evolution

VARIATIONS

Individuals show differences in height, colour etc.

SURVIVAL OF FITTEST

only those organisms that are better adapted to survive and reproduce

FORMATION OF NEW SPECIES

New organisms are formed

My Favourite Scientist

Dr. APJ Abdul Kalam

The Missile Man of India
1931-2015

If you want to shine like a Sun First Burn Like a Sun

Education is the most powerful weapon which you can use to change the world

With all your bitterness you can't succeed with your bitterness. You must fall.

Winners are not those who never fall but those who never quit.

Teachers are the backbone of any country. The more you value an education, the more you value a nation.

In 1958, he founded the Defence Research and Development Organisation (DRDO).

He was transferred to the Indian Space Research Organisation (ISRO) as its first director of studies, space satellite launch vehicle (SLV).

He was honored with Bharat Ratna award.

11th President of India from 2002 to 2007.

Rose from a modest background through hard work.

Taught students the power of curiosity and perseverance.

Believed that dreams transform into thoughts and actions.

Encourages in you the do not come to history you but to help you realize your hidden potential and power. Let difficulties know that you too are capable.

"Optimism, dream, dreams, transform into thoughts and thoughts result in action."
